

A first-person perspective from the front of a yellow wooden boat on a calm lake. The boat's prow is in the center, with a red crossbar and a rope running down the middle. The water is still, reflecting the sky and the distant mountains. The background shows a range of blue mountains under a clear sky, with some buildings and trees along the shoreline.

In the beautiful land of Jammu and Kashmir

**We built a place for children
to peep through the windows**

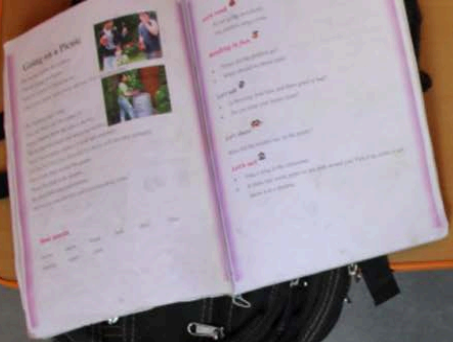

**A place where they are blessed
with the light of wisdom**

Going on a Picnic

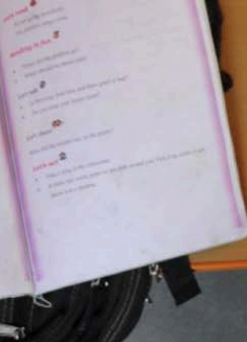

Read the text and answer the questions.

It was a hot day and the children were bored. They decided to go on a picnic. They packed their picnic basket with sandwiches, fruit and drinks. They went to a park and had a picnic under a big tree. They were very happy and enjoyed their picnic very much.
